Are you prepared for your financial future?

Invaluable Experience

Thor McIlrath has been a financial advisor and CERTIFIED FINANCIAL PLANNER™ since 1992. This experience has given Thor comprehensive knowledge of retirement planning, investment planning and asset management.

Sam Eck has practiced law since 1971, with an emphasis in all areas of legacy planning for the past 17 years. His knowledge and broad-base experience provide a realistic and practical understanding of legal, financial and estate tax-related matters.

Brian Wyatt has a business degree with a major in accounting and has served in the financial services industry since 1999. As the portfolio manager for McIlrath|Eck, Brian builds creative and effective portfolios to meet each client's needs while incorporating their individual risk tolerance.

With this wealth of experience, it is no wonder people trust us and retain our services for a lifetime. We know how to plan and manage your financial affairs in order to maximize growth, minimize risk, and reduce taxes.

Service that Stands Out

Thor and Sam are accessible and enjoyable to work with, and have assembled a dedicated, detail-oriented staff to give you a superior client service. Your retirement plan should be built around your own personal vision of the future. Thor McIlrath and Sam Eck can help you make that vision reality.

Independence

Thor and Sam are independent retirement and estate planners whose advice is uncolored by sales considerations. As fee only advisors, they have a fiduciary obligation to put your welfare first and to fully disclose compensation and any potential conflicts of interest.

Thor and Sam have seen and solved many different retirement and estate planning issues. Through our educational classes and client relationships, they replace ambiguity and uncertainty with answers. You can depend on them to evaluate your goals and needs, explore your options, and plan for your best interests.

Caring Advisors

McIlrath | Eck keep the planning process simple, with constant communication on all decisions. We talk with you in a down-to-earth way and give you the knowledge to make smart, informed choices. We create financial solutions based on your values and priorities because we want to improve your quality of life, as well as preserve and protect your hard-earned money.
